<u>Autumn 2017 Paper 2 Q11</u>

1 The pie charts give information about the ages, in years, of people living in two towns, Adley and Bridford.

Diagrams accurately drawn

The ratio of the number of people living in Adley to the number of people living in Britdford is given by the ratio of the areas of the pic charts.  What proportion of the total number of people living in these two towns live in Adley and are aged 0 – 19?  Give your answer correct to 3 significant figures.  (Total for Question 1 is 3 marks)		
and are aged 0 – 19? Give your answer correct to 3 significant figures.	Bridford is given by the ratio of the areas of the pie	the number of people living in charts.
	and are aged $0-19$ ?	in these two towns live in Adley
(Total for Question 1 is 3 marks)	Give your answer correct to 3 significant figures.
